Consent for Services

As a condition of your treatment by this office, financial arrangements must be made in advance. The practice depends upon reimbursement from the patients for the costs incurred in their care and financial responsibility on the part of each patient must be determined before treatment.

All emergency dental services, or any dental services performed without previous financial arrangements, must be paid for in cash at the time services are performed.

Patients who carry dental insurance understand that all dental services furnished are charged directly to the patient and that he or she is personally responsible for payment of all dental services. This office will help prepare the patients insurance forms or assist in making collections from insurance companies and will credit any such collections to the patient's account. However, this dental office cannot render services on the assumption that our charges will be paid by an insurance company.

A service charge of 1 1/2% per month (18% per annum) on the unpaid balance will be charged on all accounts exceeding 60 days, unless previously written financial arrangements are satisfied.

I understand that the fee estimate listed for this dental care can only be extended for a period of six months from the date of the patient examination.

In consideration for the professional services rendered to me, or at my request, by the Doctor, I agree to pay therefore the reasonable value of said services to said Doctor, or his assignee, at the time said services are rendered, or within five (5) days of billing if credit shall be extended. I further agree that the reasonable value of said services shall be as billed unless objected to, by me, in writing, within the time for payment thereof. I further agree that a waiver of any breach of any time or condition hereunder shall not constitute a waiver of any further term or condition and I further agree to pay all costs and reasonable attorney fees if suit be instituted hereunder.

I grant my permission to you or your assignee, to telephone me at home or at my work to discuss matters related to this form.

I have read the above conditions of treatment and payment and agree to their content.

EPWORTH SLEEPINESS SCALE

Dr. Murray Johns of Melbourne, Australia developed and validated the Epworth Sleepiness Scale (ESS). Johns MW. A new method for measuring daytime sleepiness: The Epworth Sleepiness Scale. Sleep 1991; 14(6):540-5

How likely are you to doze off or fall asleep in the following situations?

| Situation | Score | |
|---|--------------|-------------------------------|
| Sitting & reading | _____ | |
| Watching TV | _____ | |
| Sitting inactive in a public place (i.e. theater) | _____ | Scale |
| As a car passenger for an hour without a break | _____ | 0 = would never doze |
| Lying down to rest in the afternoon | _____ | 1 = slight chance of dozing |
| Sitting & talking to someone | _____ | 2 = moderate chance of dozing |
| Sitting quietly after lunch without alcohol | _____ | 3 = high chance of dozing |
| In a car, while stopping for a few minutes in traffic | _____ | |
| Total score | _____ | |

A score of less than 8 may indicate normal sleep functions

8-10 = Mild Sleepiness

11-15 = Moderate Sleepiness

16-20 = Severe Sleepiness

21-24 = Excessive Sleepiness
